

EXTENDED WARRANTY

You know it makes great sense.

Your vehicle purchase was a significant investment: have you thought beyond 3 years?

The end of New Car Warranty needn't mean an end to peace of mind, provided you're informed, prepared, and make the most appropriate pre-expiry decisions.

Ford offers a flexible range of warranty extension choices, allowing you to tailor your extra warranty protection to suit your own driving habits, the kilometres you travel and the number of years you plan to keep your vehicle. The myFord Extended New Vehicle Warranty* is the only warranty extension backed by Ford Motor Company of Australia and therefore the best choice for your Ford.

Not a Ford or New Car Warranty already expired?

Ask us about AP Eagers' Platinum Mechanical Protection Plan*, our way of showing we care about you and your vehicle and just part of our many efforts to enhance your association with our Dealership.

myFord Extended Warranty

You can now extend your new vehicle warranty for an extra 3 years, 100,000 kilometres with the myFord Extended New Vehicle Warranty.

myFord – my protection

The myFord Extended New Vehicle Warranty is a full extension of the original Ford Express New Vehicle Warranty, covering your Ford against defects in factory materials and workmanship.

myFord – quality guaranteed

Just like the quality of your new Ford, we provide you a quality guarantee for all repairs completed under this warranty for the remaining warranty period.

myFord – our options, your choice

Everyone loves their Ford differently. That's why you can choose the extended warranty option that suits you best.

myFord – nothing beats the original

The myFord Extended New Vehicle Warranty is the only warranty extension backed by Ford Motor Company of Australia and therefore the best choice for your Ford.
